GRAEF

ARTICLE	Waffle Maker WA 80
ARTICLE.NO	WA 80

CONFIGURATION

Stainless steel waffle maker with hearts shape

- Baking waffles in hearts shape with the unique Graef structure, Ø approx. 20 cm
- Fat-reduced waffle-baking due to the high-quality nonstick coating
- Control panel with adjustment for 6 baking levels
- „Baking-Light“: red LED is lit, when the appliance is heating up or dough is filled in; green LED is lit, when the appliance is ready for use or if the baking process is finished
- Additional acoustic signal after completion
- Easy cleaning due to the internal hinge and heightened edge for keeping the fat inside the appliance
- Space-saving storage due to vertical positioning
- Cable rewind with plug clip
- Heat insulated housing corresponding to the new thermal insulation act
- Stainless steel housing, matt-finished
